User Story 1 - 3 Points
As a user, I want my posts to include pictures so that other people can see what my climb looks like.

Task 1. [2] Add a way to upload a picture to the database from the new post page

Scenario:

1. Press on tab "New Climb"
2. Fill out the form:
    a. Climbed By: < Laila >
    b. Route Name: < Redwood Boulder >
    c. Route Difficulty: < 5 >
    d. Location: < 1156 High St, Santa Cruz, CA 95064 >
    e. Directions: < Head North past the two large Redwoods. >
    f. Description: < A pleasant climb for those with long arms. Difficult otherwise. >
3. Press on button "Choose file" and select an image from your computer.
4. The user should see "Uploading Image" onscreen with percentage of completion for upload.
5. Once it reaches 100%, the name of the chosen file should appear next to "Choose file" button
6. Press "Submit"
7. Navigate to "Home" tab
8. Scroll to bottom of list of Climbs and press "See More!"
9. The user should see their chosen image on post.
